## Privacy Policy

Privacy Policy Effective Date: [Add Date Here LOL]

### 1. Introduction

Thank you for using our Ticketing System for Bug Tracking ("the System"). We are committed to protecting your privacy and handling your personal information with care and respect. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our System.

### 2. Information We Collect

- Personal Information: When you use our System, we may collect personal information such as your name, email address, and other contact details.
- Usage Data: We may collect information about how you interact with our System, such as the features you use and the actions you take.

### 3. How We Use Your Information

We use the information we collect to:

- Provide and maintain our System;
- Improve, personalize, and enhance your experience;
- Communicate with you, including responding to your inquiries and providing updates;
- Analyze usage trends and preferences.

### 4. Sharing Your Information

We may share your information:

- With service providers who assist us in operating our System;
- When required by law or to protect our rights.

### 5. Security of Your Information

We implement reasonable security measures to protect your information from unauthorized access and disclosure.

### 6. Your Choices
